A commanding screen presence built for complex characters, grounded drama, crime, thriller and genre storytelling.

THE ACTOR

JJ Fernandez is a versatile Latino actor known for bringing weight, authority and emotional depth to complex characters. His screen presence naturally lends itself to detectives, law enforcement, fathers, professionals, crime figures and morally complicated men.

With a background in theater performance, formal training at Stella Adler Studio of Acting and more than two decades of leadership and business experience, JJ brings a grounded, disciplined approach to every production.

Based in San Antonio, Texas, JJ is available throughout Texas and willing to travel for the right project.

PERFORMANCE DNA

Commanding • grounded • intense • authentic • emotionally restrained • capable of sudden volatility
